HILLSONG CONFERENCE DIARY

E C H O

C O M E

[@BobbieHouston](#) [@BrianCHouston](#)

W E L C O M E

We are thrilled & honored that you are here!

We believe that God has orchestrated something beautifully powerful for us this week as we gather under the name of Jesus with expectant hearts - ready to receive all that He desires to pour over our lives.

So pause and listen for what the Spirit of God is saying... *"The Spirit and the bride say, 'COME' And let the one who hears say, 'COME!'" (Rev 22:17 NLT)*

If this is your first time joining us – welcome, you are among friends! We pray your time here will be marked by the presence of God and framed by an environment where you will be refreshed and revived – encouraged once again, in the call of God on your life.

And to those of you who have been with us before – we are believing that this will be a milestone week in your life. So lean in and tune your heart once again to hear the in-season Word of the Lord for you and your family, your community, your church and your teams. May the gift of leadership within you be stirred and reawakened.

So enjoy every moment, be kind and open hearted. Familiarize yourself with the diary and remember that you, as a delegate, also shape the atmosphere around you - so wherever you find yourself over these next few days, be carriers of His Grace and let's together make 2016 our finest.

Love you.

Elevators

Elevators for delegates with disabilities are available in the Barclays Center on the Main Concourse, Lower Suite Level, Upper Suite Level and Upper Concourse. Guest Services escorts can provide assistance.

SEATING COMMUNITIES

SEATING COMMUNITIES

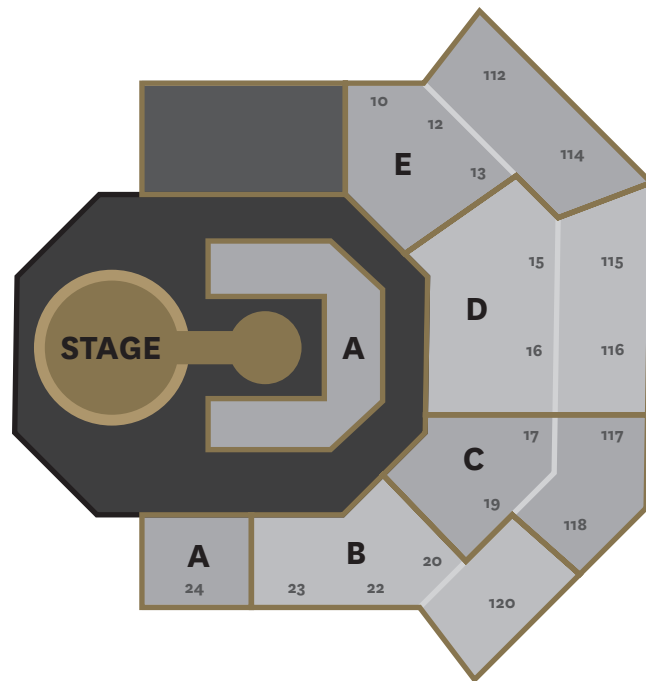

Your Seating Community is listed on your wristband. This identifies the community you will be sitting with at each session throughout the Conference. Hopefully you would have already met your Seating Community Captain (if not, make sure you introduce yourself) – this friendly volunteer will be your main point of contact throughout the Conference.

The great thing about seating communities is that you move around the arena on a rotation basis, giving you an opportunity to experience Hillsong Conference from all different angles.

Please be seated 15 minutes before the start of each session - we may need to fill any empty seats before sessions begin.

Check out the seating map to plot out where you need to go for each session. Keep your eyes open for Seating Community signage around the venue as well.

Please note – Seating Communities do not apply to delegates who have large group seating or are part of mobility assistance.

The organizers of Hillsong Conference reserve the right to change any of the published conference details without notice and have the final say on any matter relating to the conference. The conference experience, including all services and various other activities, are recorded. Images of people attending or participating in the conference may be used and shown in our TV ministry, resources and for other promotional purposes and commercial activities. SISTERHOOD FIGHT CLUB

The Sisterhood Prayer Map launched our SISTERHOOD FIGHT CLUB, which is essentially a way for the Global Sisterhood to combine our strength and focus around prayer and projects. Imagine if each month we focused on a new region of the world. As the months unfold, more of the world would be revealed. I am confident that unusual miracles will take place around the world as we commit to praying daily with one heart and one spirit at 12pm. #MIDDAYBABYMIDDAY.

Love Bobbie xo

WORSHIP PRESENTATION SOFTWARE REINVENTED

MediaShout created the first church presentation software over sixteen years ago. We invented the space. As worship services are changing, our own customers collaborated with our team fueling new directions, a simplified interface, and volunteer tools. They wanted free Sunday phone support, so we gave them that too. **MediaShout 6. Reinvented.**

What does it take to change a story?

It takes hope. It takes the love and protection of a local church and a sponsor saying 'you matter, and you are not alone'.

Through Compassion, Collins and his grandmother Nachi could start imagining a different future. A future where Collins could dream, play and hope. A future where the harsh realities of poverty can be overcome.

Through the Compassion Child Sponsorship Program, stories are being changed every day.

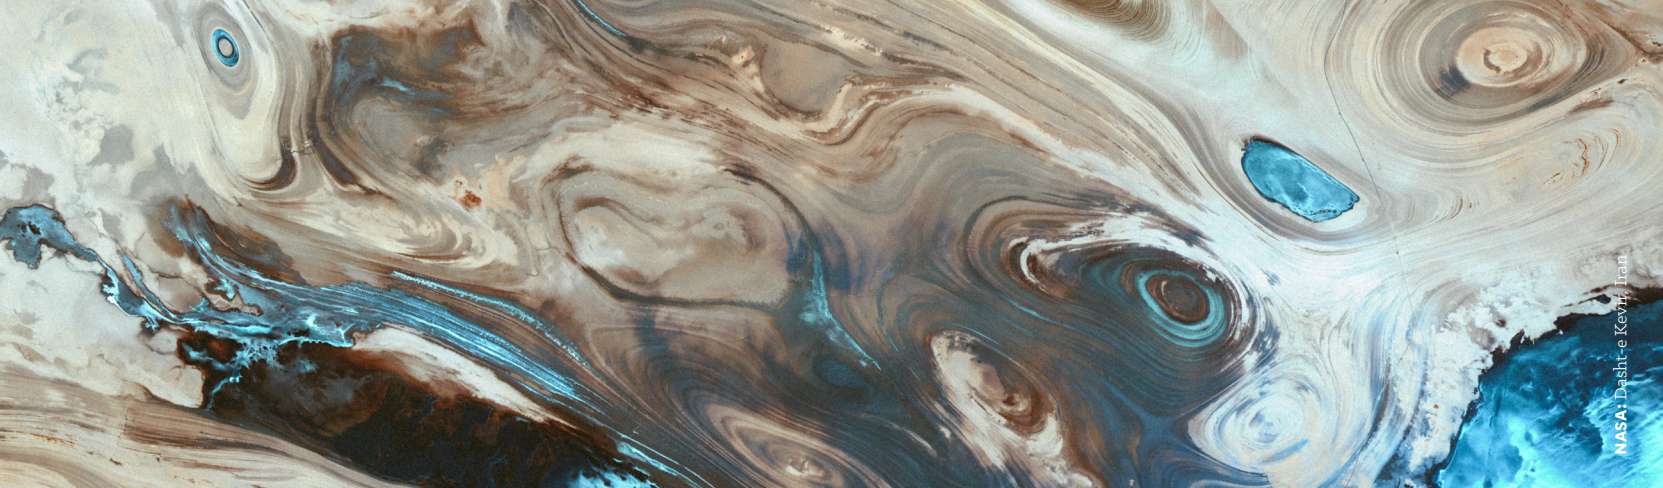

Sponsor a child. Change a story.
