THE HILLSONG FOUND- ATION

TO GOD BE THE GLORY

TO GOD BE THE GLORY

*God can do anything, you know — far more than you could ever imagine or guess or request in your wildest dreams! He does it not by pushing us around but by working within us, his Spirit deeply and gently within us. **Glory to God** in the church!*

Glory to God in the Messiah, in Jesus! Glory down all the generations!

Glory through all millennia! Oh, yes!

IT ALL BEGAN WITH A VISION

The vision of Kingdom Builders was birthed out of a prayer from Pastor Brian – a prayer for a strategy to raise finance for our building programs. Its primary focus was to encourage the spirit of financial leadership amongst our church members. Launched in 1996, it was called '100 Kingdom Men' after the story of the Centurion, who was a leader over 100 men, found in Matthew 8:5-13. In this first year, the 100 individuals generously gave just over one million dollars.

From its first inception, this group evolved to be known as Kingdom People. What began as a small group has grown significantly to include hundreds of people who believe that part of their calling is to financially resource God's House over and above their tithes and offerings.

Today, what was one group of people has now become two groups of people known as:

KINGDOM BUILDERS ARMY OF FAITHFUL BELIEVERS

Two groups of people who desire to change the future through generosity. Two groups of people who are big thinkers, who love Jesus and His Church and desire to see vision fulfilled!

Giving into the Hillsong Foundation no longer just supports our building initiatives, although building facilities to house the work of the Lord is vitally important to who we are and where we are headed. These faithful groups of people have also taken on the spiritual and financial responsibility associated with funding Hillsong CityCare and all the projects and programs associated with assisting our local community, as well as resourcing projects and programs that reach the poor and destitute around the world.

The Hillsong Foundation is for anyone who calls Hillsong HOME. It is for those who would love to contribute financially to extend God's Kingdom in practical ways and ultimately to bring God all the glory.

IT IS NOT ABOUT EQUAL GIVING BUT EQUAL SACRIFICE.

WIDE OPEN SPACES

Firstly, allow Bobbie and I to thank you, Hillsong Church, for your remarkable devotion and commitment to the vision of this house. Over the years, your personal love of God and His Kingdom has enabled a “local church” to spread and become a catalyst of change and hope, not only locally, but around the world.

As we enter yet another year of the “Hillsong Foundation”, we are confident that God will continue to lead us into the “wide open spaces” of His calling and purpose, and that He will surprise us all as we allow our lives to increase.

To that end, we present this brochure and invitation to you as you prayerfully consider your involvement and participation. We have even more vision than ever before, so take a moment to read and pray and consider all that it entails. As you do this, our constant prayer is that the Lord will enlarge your own capacity and bless all that you put your hand to.

God bless you, your family and world.

YOU'RE INVITED TO JOIN THE JOURNEY

We have been a part of the Hillsong Foundation journey for a good few years now (the length of time we have called Hillsong HOME). We have always considered being able to contribute to the building of God's Church and extending His Kingdom of Love in this practical way, such a privilege.

Together, with an incredibly generous people across Hillsong Denmark & Malmö we were able to take great steps forward as a national and global church in 2016/2017. Contributing to projects like launching our Aarhus location, securing our building in Malmö, supporting the launch of Hillsong Israel & extending our reach into our local communities through Hillsong CityCare, has made a huge difference to the lives of individuals and families. There is still so much to be done and we are thrilled to begin this journey again in 2018.

We would love to invite you to join the Hillsong Foundation journey alongside hundreds of big-hearted people who call Hillsong Denmark & Malmö HOME.

Below are some practical things we do to prepare for this journey.

PRAY

Prayerfully consider the part you are able to play in the Hillsong Foundation. It's important that your giving is a discussion between you and the Lord.

COMMIT

There is such power in writing down a goal and then being able to see it fulfilled. By filling out the confidential application form (see the back pages of this brochure for more details) you are engaging in an exciting faith journey.

PLAN

Plan for generosity. Every significant sacrifice requires a plan. Never underestimate budgeting for generosity. Planning and preparation has been the vehicle to allow us to often give more than we thought we could.

Thank you for loving Jesus and others in this practical way. Your heart and generosity is inspiring.

We are in this together!
All our love,

THOMAS & KAT HANSEN

OUR HOME

BUILDING STRENGTH FOR THE FUTURE GENERATIONS

A Year to Build

WHAT IS OUR HOME?

WELCOME HOME is more than our desire for this House to be a safe place of rest, it is a prophetic declaration calling the lost home to Jesus.

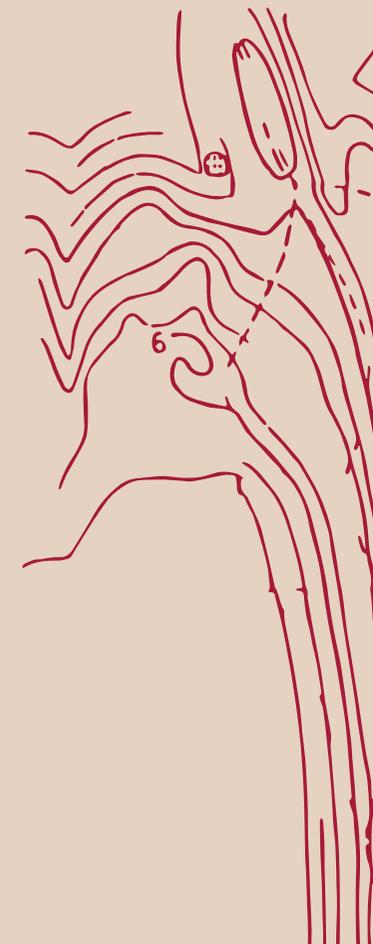

Through the Hillsong Foundation, we are enabled to build strength into our church as we grow, stretch and hopefully expand into much needed facilities.

We are believing to continue to expand and strengthen our facilities and services. Church is growing and with that blessing comes many challenges as well.

We always want to be a place that can welcome people into facilities and services that are excellent and serve people in the best way possible - whether it is welcoming people with a cup of coffee, kids into an amazing space or an auditorium that serves people in the best way possible. As church continues to grow, the need for midweek facilities continues to increase as well.

The Hillsong Foundation prepares the church as well for the day when a God-opportunity to invest in facilities arrives. Welcoming people home is a grand responsibility, and we want to do our part in clearing the way for Jesus.

We firmly believe that this year is a year to build on the foundations laid these past five years in both Copenhagen, Malmö and Aarhus. That God would trust us to play a part in establishing HIS CHURCH in our nations is such an honour. Together we can build a stronger community where we are, that allows us to influence the rest of the world.

OUR BACKYARD

BEING THE HANDS AND
FEET OF JESUS IN OUR
LOCAL COMMUNITIES

Hillsong CityCare

OUR HEART IS TO SEE COMMUNITIES TRANSFORMED...

We believe this can be achieved through the strengthening of families, empowering young people and fostering a sense of belonging for vulnerable groups in need of connection. We have a number of partnerships, projects and programs we are committed to and involved in as we practically seek to be the hands and feet of Jesus in the cities and communities we find ourselves in.

The Hillsong Foundation primarily resources Hillsong CityCare to engage our local community through its ongoing programs and services, which include:

- **STREET TEAMS:** volunteers provide personal visitations and offer practical support in local areas, nursing homes, and with the homeless community.
- **SHINE PERSONAL DEVELOPMENT PROGRAM:** aim to equip participants with the knowledge and skills needed to develop greater self-awareness and personal growth.
- **ANNUAL PROJECTS:** facilitating various initiatives designed to bless our community by providing personal hygiene items, food, clothing and more. We also distribute care packs & organise Christmas dinners for vulnerable groups in the community.
- **REFUGEE FELLOWSHIP:** volunteers provide social activities and practical support for groups of refugees in our community.

Your generous support enables us to be positioned effectively to reach those who are vulnerable and to practically impact the needs in our cities.

OUR WORLD

EXTENDING OUR REACH ACROSS THE WORLD

Hillsong Africa Foundation — Vision Rescue — A21 Campaign — Hillsong Israel

Globally, we are thrilled to pour support into the launch of our Hillsong Israel room as we extend our reach across the world, whilst continuing to support ????. As we consider the scope and reach of “Our Home” – it is truly a grand responsibility.

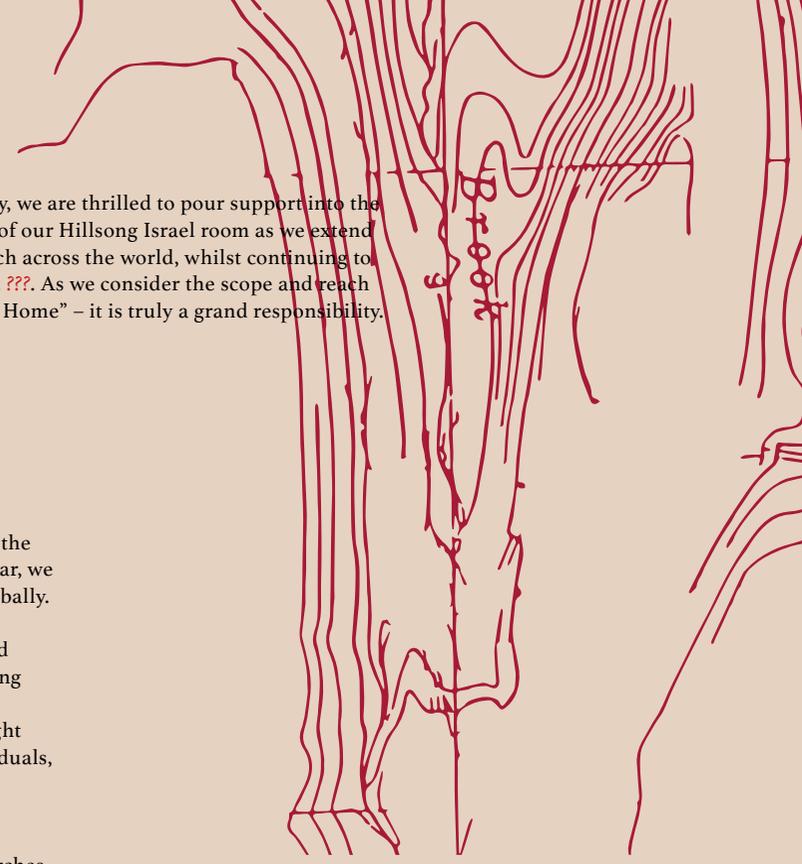

HOW CAN WE MAKE A DIFFERENCE BEYOND OUR BORDERS?

We are passionate about extending our heart and the compassionate love of Jesus to our world. Each year, we prayerfully consider who we will partner with globally.

From India to Thailand, Uganda, South Africa and the Middle East, the generous giving of the Hillsong Foundation has funded initiatives on the ground that have made significant impact and have brought sustainable change to the lives of countless individuals, families and communities.

The power of our partnerships has always been anchored in meaningful connections to local churches. It is through the local church that our impact in communities is made holistic, meeting not only physical needs, but also the emotional and spiritual needs of those we reach.

As we move forward into the new year, we are committed to partnering with initiatives that are devoted to making a tangible and sustainable impact, building relationships, meeting needs, strengthening families and providing security and safety for the most vulnerable in communities. Whether that be through education programs in Mumbai; sports and literacy programs in Cape Town; or supporting other key partners in reaching their communities; we will never lose sight of our vision to reach and impact the world.

The Hillsong Channel has had a phenomenal first year since its launch in June 2016. On average, 1.9 million households per week in the USA viewed the Channel in the first 11 months of being on air.

The online viewership has also grown significantly. In June 2017, we launched on one of America's largest Cable TV Providers - Spectrum, this enables us to reach an additional 17 million homes in the USA alone and the Channel will be viewed in HD on that platform. In 2016, we launched on Foxtel & FetchTV in Australia and we are also about to launch in Africa on Kwese TV.

We continue to support the Hillsong Channel as we provide quality content to creatively share the Gospel with a global audience.

TESTIMONIES FROM OUR GLOBAL FAMILY

Just a few of the inspiring stories from those who are part of our Hillsong Foundation family:

I have been a part of the Hillsong Foundation for the past ten years and the last seven of them I have been able to bring my two kids on the journey with me. I have been through every season possible - from abundance, to expanding the family while the income was not expanding, to finding myself jobless as a single parent and trusting God with my own sacrifice no matter the amount.

Every year, God has provided miracle after miracle. Last year was one of the most significant years as I watched my kids choose an initiative to save towards and raise money for their offering. While we may be living in a world of selfishness, I have a revelation that it's not just our finances we can give but also the gift of generosity to the generations to come.

— Corinne Hawkins

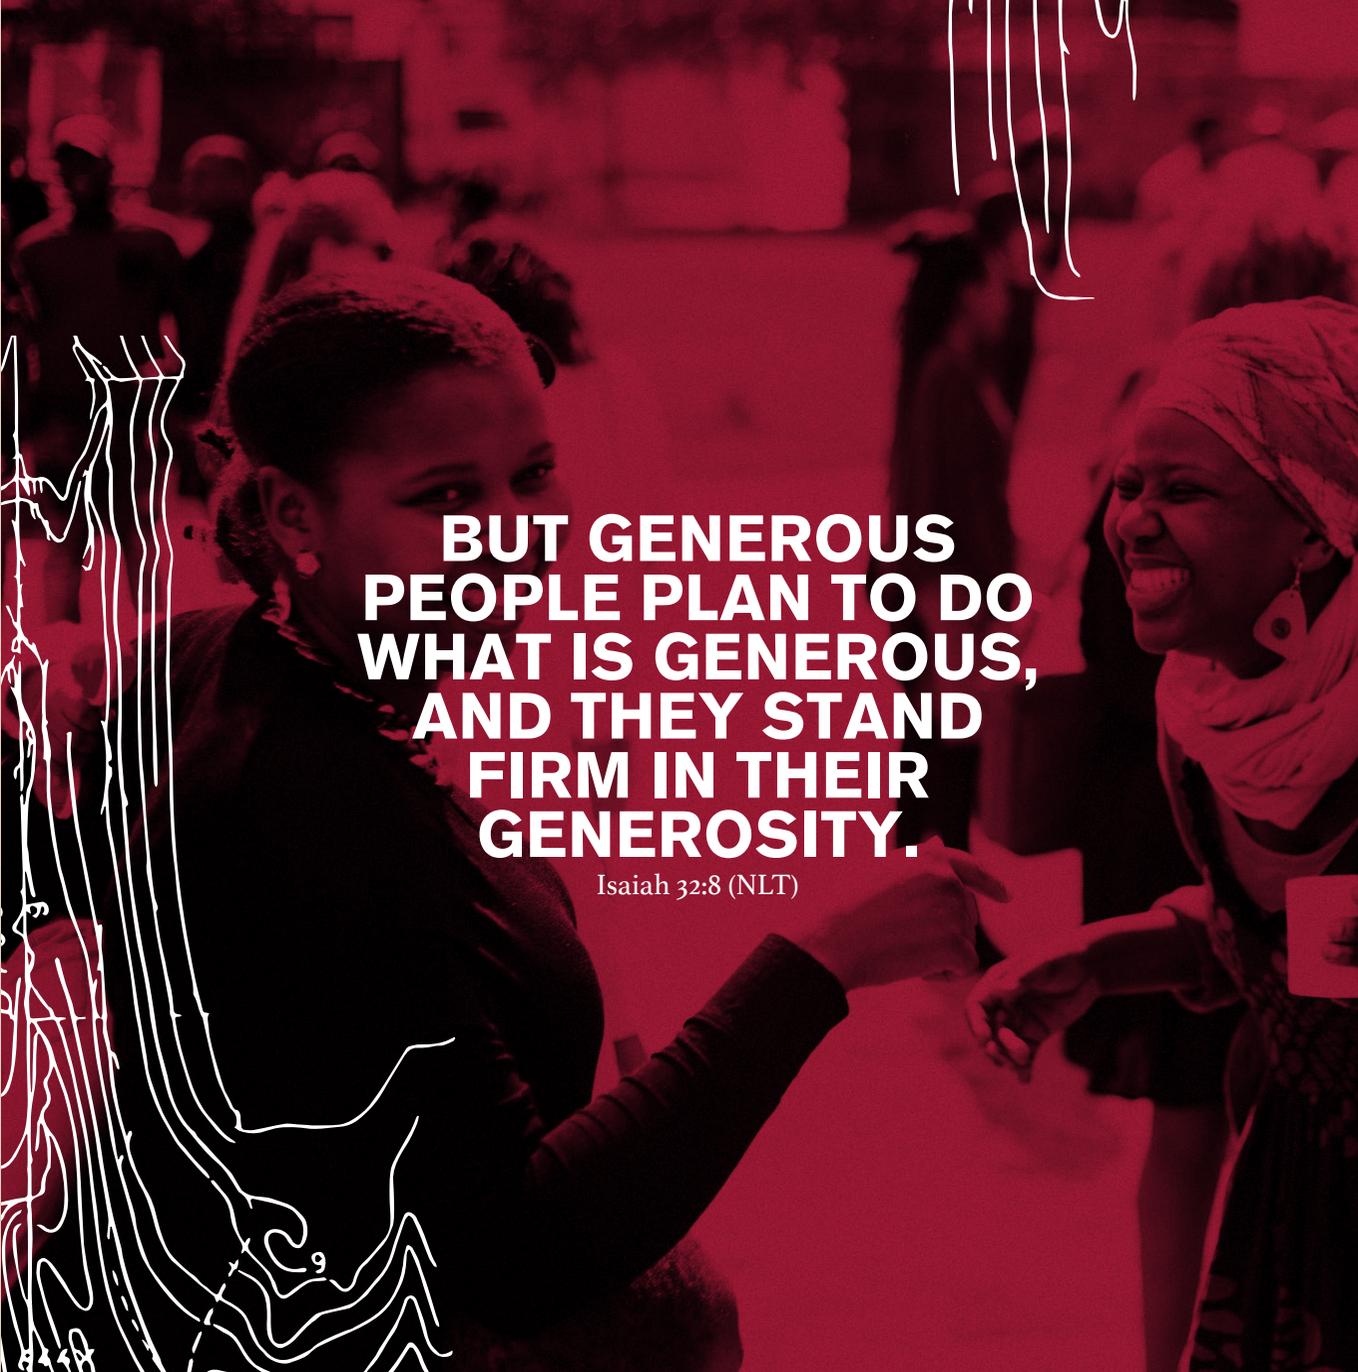

My wife, Susan, and I have been part of Hillsong Church now for over 26 years but it was really 21 years ago that everything changed for us; when I finally found that my purpose in life was to finance the work of the Kingdom. It came about when Ps Brian shared his Vision about 100 kingdom men getting behind the vision of Hillsong Church. Once I stopped doing things with my own personal goals in mind and started to do everything with God's Kingdom purpose at the forefront, everything changed for us. These days I have the privilege of speaking across the world about Kingdom Builders and my favourite line is, "Kingdom Builders is all about the money, but it's not about the money!" It's always been about believing in the vision of Hillsong Church, having the vision as my motivation and putting God first in every area of our lives.

— Andrew Denton

A STORY FROM PS BRIAN

This is a story about a couple in our church who were really believing to be able to bless our church when they launched their business several years ago. They sold that business in the last 12 months and - even though they have been faithful and sacrificial throughout all the years - this year, by God's grace, they were able to give something very significant and something I am sure they could have never have imagined when they started out all those years ago.

What I love about the story is that not only has he sold the business, but he is now working for the people who bought the business; not just in the one he owned but for all of the companies and businesses that they own. This person is responsible for some large companies including one from New Zealand called Griffins. When I was in Bible College in 1972, I worked at Griffins factory during the night sweeping the floors. Now he is the Managing Director / CEO of Griffins and I was the floor sweeper all those years ago. He wrote that he's been telling everybody that I used to work for him, even though he wasn't even born when I was working there. I think it's amazing that today I'm the pastor of the church where they have been coming for many years with their family and he is now in a position where he is able to be part of the Hillsong Foundation.
